Objective:

A highly motivated and dedicated individual seeking to leverage academic background and professional experience in a dynamic and challenging environment. Aiming to apply my strong organizational skills, attention to detail, and ability to work under pressure to contribute effectively to the success of the organization. Eager to develop my professional skills and grow within a team that values innovation and excellence.

Education:

BS in Information Technology, Major in Software Development

Marinduque State College, Marinduque

Graduated: 2026

Work Experience:

Software Developer Intern, Innovative Start-up Studio, Marinduque

May 2025 - August 2025

Responsibilities:

Collaborated in a team of 5 to design, develop, and implement a web-based project management tool tailored for start-up environments.

Engaged in all phases of the software development lifecycle, from conception and design through development, testing, and deployment.

Utilized JavaScript, React, and Node.js to create dynamic, user-friendly interfaces and robust backend services.

Participated in agile development practices, including daily stand-ups, sprint planning, and retrospectives, to continuously adapt and improve the product
